Admission of Children of Overseas Sri Lankans to Government Schools

The Government of Sri Lanka is considering to commence English medium classes in the Government Schools for children of Overseas Sri Lankans returning to Sri Lanka.

The Ministry of Education of Sri Lanka is now gathering information to assess the actual requirement in this regard in order to develop required infrastructure in the schools.

The Sri Lankan nationals and dual citizenship holders in Australia who wish to return to Sri Lanka with school going children in the next two years are kindly requested to convey us their intention with the number of children and their date of birth.

Your kind cooperation in this regard would be highly appreciated.
