KOSHER IN SRI LANKA

I am privileged to be writing in the 2nd edition of the Kosher in Sri Lanka Directory.

Rabbi Joel Weinberger, Director of PS Kosher Food Works has been representing Star-K Kosher certification in Sri Lanka since 2006. This year we celebrate 15 years of PS Kosher Food Works/Star-K Kosher Certifications presence in Sri Lanka.

A branch office was opened in Sri Lanka in 2015 and have gained a reputation for providing prompt, friendly and professional service.

Over the years we have worked with the Sri Lanka Export Development Board & National Chamber of Exporters. Rabbi Joel Weinberger has conducted many awareness seminars. He also met with the Chairman of Sri Lanka Export Development Board, Mr. Suresh De Mel in October 2021. At this meeting, it was discussed to increase and take advantage by using the Kosher status which more than 100 Sri Lankan exporters have, to reach out to this niche market. Also, it was discussed to conduct a few awareness seminars in the year 2022 for the benefit of the F&B exporters.

We have planned to conduct our 2nd Standard Operating Procedure training for the manufacturing companies certified by Star-K early next year which will be facilitated by Rabbi Joel Weinberger.

Even though, the year 2020/21 have been a very challenging year for the world economy, Star-K had a resident Rabbi in Sri Lanka for 4 months to physically audit our existing customers as well as new customers. We have seen a keen interest in exporters/manufacturers requesting for kosher certification in these difficult times, to reach out to new market segments.

Sri Lanka has more than 100 kosher certified companies and is in the increase. The information in this directory is what has been gathered within a short period and is a partial list of the Kosher certified companies in Sri Lanka.

I believe our 3rd Edition will have most of the kosher certified companies in Sri Lanka. I thank all who supported us in putting this together at very short notice.
