Temporary Disruption in ETA Approval Notice

The Consulate General of Sri Lanka in Melbourne wishes to inform all travellers visiting Sri Lanka that the Department of Immigration and Emigration, Sri Lanka, is currently experiencing a temporary service disruption affecting the delivery of Electronic Travel Authorization (ETA) approval notice.

This disruption is due to unforeseen technical circumstances and is being addressed on priority by the relevant authorities in Sri Lanka.

Travellers who have already applied for an ETA may still proceed with their travel to Sri Lanka even if they have not received the ETA approval notice.

Airlines and relevant authorities have been officially informed to facilitate boarding of excepting the supervision of ETA approval notice.

ETA verification and necessary facilitation will be provided upon arrival at Bandaranaike International Airport (BIA), Sri Lanka.

The Department of Immigration and Emigration is working to restore normal services at the earliest. We regret any inconvenience caused.
